OUR PURPOSE

- To promote the Walton-Verona Schools in a way that will better serve the students so that education becomes more meaningful for them.

OUR MISSION

The mission of the Walton-Verona Educational Foundation is to provide resources to promote and enhance the academic opportunities of the students of the Walton-Verona Independent school district so that they may enjoy a more enriched life and expand their career opportunities in order to become contributing members of our community and society in general.

"WALL OF SUPPORT"

The Walton-Verona Educational Foundation, Inc. is offering to the alumni and friends of the Walton-Verona Independent School District an opportunity to forever memorialize individuals or groups associated with our school district.

The "WALL OF SUPPORT" will be made up of approximately 700 engraved bricks located on the facade of the concession stand in the lobby of the Walton-Verona High School Gymnasium.

The cost is \$50.00 for each 4"x8" brick. Donors will receive a receipt for this tax deductible endeavor.

Funds raised through the "WALL OF SUPPORT" project will be used for projects such as:

- Support special school projects in the arts and humanities.
- Provide new classroom materials that go far beyond the basics.
- Promote initiative in the district and the schools within the district by establishing incentive programs.
- Promote cooperation between Walton-Verona Schools and the private sector through community-school partnerships.
